SUMMARY

Full Stack Developer specializing in user interface design and application development. Proficient in Next.js and MongoDB. Eager to leverage skills in a dynamic development environment to deliver innovative solutions.

EDUCATION

Master of Computer Applications (MCA) Aditya Institute of Management Studies and Research, Borivali	2024–2026
Bachelor of Commerce (BCom) Shankar Narayan College, Bhayandar	2021–2024
Higher Secondary School Certificate (HSC) Shankar Narayan College, Bhayandar	2019–2021
Secondary School Certificate (SSC) St. Xavier's High School, Mira-road	2018–2019

EXPERIENCE

Software Engineer – Ashvieron Technologies Pvt Ltd.	April 2026 – Present
I contribute as a Software Engineer, leveraging skills in website building to develop and maintain web solutions. My role emphasizes full-stack development, ensuring efficient and user-friendly applications.	
Full Stack Developer - Mcansey IT Services Pvt Ltd.	June 2025 – April 2026
Contributing to full stack development using Next.js, Node.js, and MongoDB with focus on UI, APIs, and performance optimization.	

PROJECTS

- Lendingpalm – Loan & Credit Comparison Platform** [Live Demo](#)
A web platform that lets users compare loans and credit options from multiple lenders, offering simple guides and real-time comparisons via APIs to help users make informed borrowing decisions.
- Solflicks – A Film Production Site** [Live Demo](#)
A modern, TypeScript-powered Next.js application deployed on Vercel. Integrated with MongoDB for dynamic data management and built with an admin dashboard to update live site content seamlessly. Designed with modern tooling to ensure high performance, scalability, and maintainability.
